

Wombleton

Caravan & Camping Park

Access Statement

for Wombleton Caravan & Camping Park

Created 12st April 2017

Introduction

Our aim is to offer a quite retreat a safe and pleasant environment with modern facilities and friendly service. We do not class ourselves as a family park, children are welcome but there are no activities for them. Dogs are welcome but under supervision at all times

We are situated next to a Second World War airfield a training base for the Canadian air force. now farm land

Pre – Arrival

We cater for tents, touring caravans and concrete bases for motor homes, Please specify when booking if you require a grass or gravel pitch. Our website is kept up to date including accessible information We offer E-mail information on bookings but they must be confirmed by telephone with a deposit Brochures on request and a copy of this access statement if required

How to find us

We are situated half way between Wombleton and Harome. Turn off the A170 straight through the village of Wombleton toward Harome. Turn left at the Canadian War Memorial towards the Second World War airfield. We are situated on the left hand side just before the airfield gates.

The Wombleton caravan sign post on the right indicates for you to turn left into the drive

Arrival & car parking facilities

The front of park is a visitor's car park. All touring caravans are asked to park on the left of the drive way 10 meters out from the barrier to allow traffic to drive around you while you inform reception that you require entry. A walk way at the side of the barriers leads to the reception (do not walk under the barrier gates) Once visitors register at reception they are given instructions to access the park through the barriers which operate with a card or code. Visitors who have any difficulty entering can press a button on the key pad for assistance and communicate through an intercom system. Additional parking for four vehicles outside the toilet block on request. All our caravan bays have an allocated parking place between the road and the front of the caravans. Cars are **not** parked between caravans, All visitors are shown to the caravan bays. The bays are 5 metres wide by 7 metres long all units are pulled onto the pitches or can be sited by us on request. Caravans do not have to be reversed into bays

Main Entrance & Reception

Access to reception / shop is inside the barrier gate and is accessible though a walk way from the car park There is a level tarmac area to the entrance door. The shop is one level. Staff will offer assistance for wheel chair users. Cars and small motor homes can park outside the reception, all touring caravans and large motor homes are requested to keep well to the left and drive 5 meters passed the reception to wait to be shown to their pitches. On entering the reception you are requested to sign in giving your name telephone and address details. We except all debit cards a small charge is required if paying by credit card

Shop

The shop is in the reception building. We keep a small stock of essentials and Calor gas Dogs are not allowed in the shop/reception.

Public Area's – General (Internal)

The park grounds are level the caravan bays are serviced by tarmac roads. Bench seating around the park Picnic benches and barbeque stands on the tent field.

Public Areas_ - WC etc
